UOVO BIGUSTO: Con questo particolare stampo è possibile realizzare un uovo in 2 metà: fondo e punta. Questo vi permetterà di realizzare metà uovo al latte e fondente, oppure potrete inserire 2 sorprese. Alla fine unirete le 2 parti tramite un incastro ed il risultato sarà un uovo tradizionale.

TWO TASTES EGG: With this particular mould it is possible to construct an egg in two halves: bottom and top. This allows to produce half milk chocolate egg and half dark chocolate egg. Or you can put two surprises. At the end you'll joint the 2 sides through a groove and the final result will be a traditional egg.
